## **Cash Management Solutions, Inc. adds a new hire to its executive sales force**

### **Martin J. Krafka joins CMS as Regional Sales Manager**

**Clearwater, Florida, April 7, 2008 -- Lockbox software innovator Cash Management Solutions, Inc. welcomes Martin J. Krafka to its growing sales team. Mr. Krafka will report directly to Arturo Florcruz, Senior Vice President of Sales, and will be responsible for new business development.**

Krafka is a proven professional with an extensive business development background. He brings 30 years experience in the Lockbox industry to CMS, and has worked for several of the top processing vendors, including DMP, JB Software, Unisys, and ITI.

"We are extremely pleased to have someone of Marty's caliber join the CMS sales team. His vast insight into the development of Wholesale processing makes his addition to our team significant," says Arturo Florcruz. "This combined with his technical knowledge and sales expertise will ensure CMS' continued growth and expansion."

"I am thrilled to have the opportunity to join the CMS team and work with a group of highly dedicated and innovative professionals," says Krafka. "CMS has a broad customer base, as well as superior product and service offerings. My goal is to help CMS leverage these offerings and capitalize on the evolution of the Wholesale Lockbox business."

A native of Bellwood, NE, Mr. Krafka currently resides with his wife in Omaha. He attained his BS in Business Administration in Finance from the University of Nebraska at Lincoln.
